

3-hole basin mixer

Installation / Installation

This exploded view diagram illustrates the assembly of a mechanical component, possibly a pump or a valve. The main body is a large, curved, cylindrical component. A handle is attached to the top of the main body. A piston is located inside the main body. A valve is attached to the side of the main body. A cross connector is attached to the bottom of the main body. The diagram is labeled with numbers 1 through 10, indicating the sequence of assembly.
